

Leverage OMB's Best-in-Class SEWP V Contract for all your IT solutions and services!

SEWP AT YOUR SERVICE

NASA SEWP V (Solutions for Enterprise-Wide Procurement) is a Government-Wide Acquisition Contract (GWAC) for IT products and services.

The SEWP V GWAC enables all Federal government agencies an avenue to easily purchase a wide spectrum of information technology services and products.

Through our SEWP V contract, Federal Resources Corporation continues to uphold its corporate mission to provide our partners and customers leading-edge solutions that encompass the latest technologies at the best value.

FAIR OPPORTUNITY

FAR 16.505(b) (1) provides that each contractor shall be given a fair opportunity to be considered for each order exceeding \$3,000 issued under multiple-award Delivery Order contracts.

The FAR states that the method to obtain fair opportunity is at the discretion of the CO and that the CO must document the rationale for placement and price of each order.

The SEWP online Search/RFQ tool is provided to assist in this activity and to augment the required decision documentation required by FAR 16.505(b).

The SEWP RFQ tool will automatically include the vendors within a selected group in the RFQ/search process. The RFQ tool will e-mail an RFQ to the vendors with various options for a reply. Please bear in mind that fair opportunity is only required within a specific group, and not across all contracts.

Regardless of Agency-specific Ordering processes, the general flow for SEWP orders is:
